

Roadmap Template

Definitions

How does your team define a successful jurisdiction project?

Priorities

What are the top three priorities of your team in the first quarter of the year? 1 year? 2 years?

Deliverables

Detail tangible project outputs (e.g., events, papers, blog posts, video/film, etc.) by expected date of delivery.

Community

Describe the user communities you are targeting. How do you see the project benefiting the communities?

What is your relationship with the communities you are targeting? Is your organization in a good position to work with these communities, or will you need to identify additional partners?

Team Composition

How do you plan to expand the jurisdiction team based on Self Assessment you completed? How do you envision it developing over the next six months, 1 year, 2 years? You may use the timesheet to assist.

Metrics

How will you measure and evaluate your project's impact - on your main participants? Other contributors? On the larger community?

How many participants do you expect to be involved in your project? How will you seek and sustain their involvement?

Technology

Describe what technologies and tools your project will use. What kinds of technical skills and expertise does your team bring to the project? What are your technical needs?

Sustainability

What challenges do you expect to face, and how do you plan to overcome them?

How do you plan to sustain your project? Detail specific plans. Do you plan to raise revenue to continue your efforts in the future, and how?

How can this project be scalable, or have a scalable impact?			
How can Creative Commons HQ best support your project to ensure its success? How can your regional CC network support you? The international CC network?			
Regional Collaboration			
Please have a look at your region's roadmap, if available. How do your plans fit into regional activities? How do you plan to contribute to inter-jurisdictional collaboration? If there is not a regional map, please contact your regional spokesperson or mentor.			
Which jurisdictions teams would you like to work closely with?			
Legal Work			
What do you see as the major legal challenges facing the license porting? How do you plan to solve them?			
Please outline your porting goals with dates. You may use the attached timesheet to assist.			
Translation			
In what languages will you promote CC in your jurisdiction and why?			
How will you involve the local language(s) community?			
Other?
