Creative Commons Corporation (“Creative Commons”) is not a law firm and does not provide legal services or legal advice. Distribution of Creative Commons public licenses does not create a lawyer-client or other relationship. Creative Commons makes its licenses and related information available on an “as-is” basis. Creative Commons makes no warranties regarding its licenses, any material licensed under their terms, or any related information. Creative Commons disclaims all liability for damages resulting from their use.

Using Creative Commons Licenses

Creative Commons public licenses provide a standard set of terms and conditions that creators and other rights holders may use to share original works of authorship and other content and materials subject to copyright and certain other rights specified in the public license below. The following considerations are for informational purposes only, are not exhaustive, and do not form part of our licenses.

Considerations for licensors: Our public licenses are intended for use by those authorized to give the public permission to use material in ways otherwise restricted by copyright and certain other rights. These licenses are irrevocable. Licensors should read and understand the terms and conditions of the license they choose before applying it. Licensors should also secure all rights necessary before applying our licenses, to enable reuse of the material by the public as intended. Licensors should clearly mark any material not subject to the license, such as other CC-licensed material they have used or material used under an exception or limitation to copyright. More considerations for licensors [[hyper-link](#)]

Considerations for the public: By using one of our public licenses, a licensor grants the public permission to use the licensed material under specified terms and conditions. If the licensor’s permission is not necessary for any reason, for example, because of any applicable exceptions and limitations to copyright, then that use is not regulated by the license. Our licenses grant only those permissions under copyright and certain other rights that a licensor has authority to give. Use of the licensed material could still be restricted for other reasons, including because *others* have copyright or other rights in the material. The licensor may make special requests, such as that any changes be marked or described. Although not required by the license, you are encouraged to respect those requests where reasonable. By exercising the Licensed Rights (defined below), You accept and agree to be bound by the terms and conditions of this Creative Commons Attribution-NonCommercial-ShareAlike 4.0 [International License](#) (“Public License”). To the extent this Public License may be interpreted as a contract, You are granted the Licensed Rights in consideration of Your acceptance of these terms and conditions, and the Licensor grants

You such rights in consideration of benefits the Licensor receives from making the Licensed Material available to the public under these terms and conditions.

(1) Subject to the terms and conditions of this Public License, the Licensor hereby grants You a worldwide, royalty-free, non-sublicensable, non-exclusive, irrevocable license to exercise the Licensed Rights in the Licensed Material to:

(A) reproduce and Share the Licensed Material, in whole or in part, for NonCommercial purposes only; and

(B) produce, reproduce, and Share Adapted Material for NonCommercial purposes only.

(2) Exceptions and Limitations. For the avoidance of doubt, where Exceptions and Limitations apply, this Public License does not apply to that use, and You do not need to comply with its terms and conditions._

(4) Media and formats; technical modifications allowed. The Licensor

authorizes You to exercise the Licensed Rights in all media and formats whether now known or hereafter created, and to make technical modifications necessary to do so. The Licensor waives and/or agrees not to assert any right or authority to forbid You from making technical modifications necessary to exercise the Licensed Rights, including technical modifications necessary to circumvent Effective Technological Measures. For purposes of this Public License, simply making modifications authorized by this Section 2(a)(4) never produces Adapted Material.

(5) Downstream recipients.

(A) Offers from the Licensor – Licensed Material. Every recipient of the Licensed Material ~~from You~~ automatically receives an offer from the Licensor to exercise the Licensed Rights subject to the terms and conditions of this Public License.

(B) Additional offer from the Licensor – Adapted Material. Every recipient of Adapted Material ~~from You~~ automatically receives an offer from the Licensor to exercise the Licensed Rights in the Adapted Material subject to the ~~terms and~~ conditions of ~~Your~~ the Adapter's License You apply.

(C) No downstream restrictions. You may not offer or impose any additional or different terms or conditions on, or apply any Effective Technological Measures to, the Licensed Material ~~or Adapted Material that restrict if doing so restricts~~ exercise of the Licensed Rights by any ~~such~~ recipient of the Licensed Material from You.

(6) No endorsement. Nothing in this Public License constitutes or may be construed as permission to assert or imply that You are, or that Your use of the Licensed Material is, connected with, or sponsored, endorsed, or granted official status by, the Licensor or others designated to receive attribution as provided in Section 3(a)(1)(A)(i).

(b) Other rights.

(1) Moral rights, such as the right of integrity, are not licensed under this Public License, nor are publicity, privacy, and other similar personality rights; *however*, to the extent possible, the Licensor waives and/or agrees not to assert any such rights held by the Licensor to the limited extent necessary to allow You to exercise the Licensed Rights, but not otherwise.

(2) Patent and trademark rights are not licensed under this Public License.

(3) To the extent possible, the Licensor waives ~~the any~~ right to collect royalties from You for the exercise of the Licensed Rights, whether directly or through a collecting society under any voluntary or waivable statutory or

compulsory licensing scheme. In all other cases the Licensor expressly reserves ~~the~~any right to collect such royalties, including when the Licensed Material is used other than for NonCommercial purposes.

Section 3 – License Conditions.

Your exercise of the Licensed Rights is expressly made subject to the following conditions.

(a) Attribution.

(1) If You Share the Licensed Material (including in ~~unmodified, excerpted, or othermodified~~ form) ~~or Adapted Material~~, You must:

- (A) if supplied by the Licensor with the Licensed Material,
 - (i) identify the creator(s) of the Licensed Material and any others designated to receive attribution, in any reasonable manner requested by the Licensor (including by pseudonym ~~or trademark~~ if designated);
 - (ii) retain a copyright notice;
 - (ii) ~~(iii)~~—retain a notice that refers to this Public License ~~and~~;
 - (iii) retain a notice that refers to the disclaimer of warranties;
 - (iv) retain a URI or hyperlink to the Licensed Material if reasonably practicable;
- (B) indicate if You have modified the Licensed Material and retain an indication of any previous modifications; and

For example, it may be reasonable to satisfy the conditions by providing a URI or hyperlink to a resource that includes the required information.

(3) If requested by the Licensor, You must remove any of the information required by Section 3(a)(1)(A) if reasonably practicable.

(b) ShareAlike.

CC BY-NC-SA (compare original draft 4 and v2 of draft 4))
Not for use or adoption

In addition to the conditions in Section 3(a) above, if You produce and Share Adapted Material, the following conditions also apply.

- (1) ~~Your~~The Adapter's License You apply must be a Creative Commons license, ~~this version or later,~~ with the same License Elements, this version or later, or a BY-NC-SA Compatible License.
- (2) You must include the text of, or the URI or hyperlink to, the Adapter's License. You apply. You may satisfy this condition in any reasonable manner based on the medium, means, and context in which You Share Adapted Material.
- (3) You may not offer or impose any additional or different terms or conditions on, or apply any Effective Technological Measures to, Adapted Material that restrict exercise of the rights granted under the Adapter's License. You apply.

Section 4 – Sui Generis Database Rights.

Where the Licensed Rights include Sui Generis Database Rights that apply to Your use of the Licensed Material:

- (a) for the avoidance of doubt, Section 2(a)(1) grants You the right to extract, reuse, reproduce, and Share all or a substantial portion of the contents of the database for NonCommercial purposes only;
- (b) if You include all or a substantial portion of the database contents in a database in which You have Sui Generis Database Rights, then the database in which You have Sui Generis Database Rights (but not its individual contents) is Adapted Material, including for purposes of Section 3.; and
- (c) You must comply with the conditions in Section 3(a) if You Share all or a substantial portion of the contents of the database.

For the avoidance of doubt, this Section 4 supplements and does not replace Your obligations under this Public License where the Licensed Rights include other Copyright and Similar Rights.

Section 5 - Disclaimer of Warranties and Limitation of Liability.

- (a) **Unless otherwise separately undertaken by the Licensor, to the extent possible, the Licensor offers the Licensed Material as-is and as-available, and makes no representations or warranties of any kind concerning the Licensed Material, express, implied, statutory, or otherwise. This includes, without limitation, warranties of title, merchantability, fitness for a particular purpose, non-infringement, absence of latent or other defects, accuracy, or the presence or absence of errors, whether or not known or discoverable.**

**CC BY-NC-SA (compare original draft 4 and v2 of draft 4))
Not for use or adoption**

Where disclaimers of warranties are not allowed in full or in part, this disclaimer may not apply to You.

- (b) To the extent possible, in no event will the Licensor be liable to You on any legal theory (including, without limitation, negligence) or otherwise for any direct, special, indirect, incidental, consequential, punitive, or exemplary or other losses, costs, expenses, or damages arising out of this Public License or use of the Licensed Material, even if the Licensor has been advised of the possibility of such losses, costs, expenses, or damages. Where a limitation of liability is not allowed in full or in part, this limitation may not apply to You.
- (c) The disclaimer of warranties and limitation of liabilities provided above shall be interpreted in a manner that, to the extent possible, most closely approximates an absolute disclaimer and waiver of all liability.

Section 6 – Term and Termination.

- (a) This Public License applies for the term of the Copyright and Similar Rights licensed here. However, if You fail to comply with this Public License, then Your rights under this Public License terminate automatically.
- (b) Where Your right to use the Licensed Material has terminated under Section 6(a), it reinstates automatically:
 - (1) as of the date the violation is cured, provided it is cured within 30 days of Your discovery of the violation; or
 - (2) upon express reinstatement by the Licensor.

For the avoidance of doubt, this Section 6(b) does not affect any rights the Licensor may have to seek remedies for Your violations of this Public License.

- (c) For the avoidance of doubt, the Licensor may also offer the Licensed Material under separate terms or conditions or stop distributing the Licensed Material at any time; *however*, doing so will not terminate this Public License.
- (d) Sections 1, 5, 6, 7, and 8 survive termination of this Public License.

Section 7 – Other Terms and Conditions.

The Licensor shall not be bound by any additional or different terms or conditions communicated by You unless expressly agreed. Any arrangements, understandings, or agreements regarding the Licensed Material not stated herein are separate from and independent of the terms and conditions of this Public License.

Section 8 – Interpretation.

**CC BY-NC-SA (compare original draft 4 and v2 of draft 4))
Not for use or adoption**

- (a) For the avoidance of doubt, this Public License does not, and shall not be interpreted to, reduce, limit, restrict, or impose conditions on any use of the Licensed Material that is free of restrictions or conditions could lawfully be made without permission under this Public License.
- (b) To the extent possible, if any provision of this Public License is deemed unenforceable, it shall be automatically reformed to the minimum extent necessary to make it enforceable. If the provision cannot be reformed, it shall be severed from this Public License without affecting the enforceability of the remaining terms and conditions.
- (c) No term or condition of this Public License will be waived and no failure to comply consented to unless expressly agreed to by the Licensor.
- (d) Nothing in this Public License constitutes or may be interpreted as a limitation upon, or waiver of, any privileges and immunities that apply to the Licensor or You, including from the legal processes of any jurisdiction or authority.
